Africa Supply Chain Excellence Awards

MEMORANDUM OF UNDERSTANDING : ASSOCIATION PARTNERS

The Africa Supply Chain Excellence Awards (ASCEA) strives to celebrate organisations and individuals excelling in Supply Chain Management in Africa.

The organisations and individuals who work throughout the supply chain profession have a unique view on what makes the world go around. Managing a supply chain is so much more than moving goods and is a complex role within any organisation to ensure its success and relevance in this volatile world we live in.

VISION

Through introducing the Supply Chain Excellence awards we aim to:

- Facilitate / promote economic growth on the African continent through fostering and promoting globally competitive supply chains.
- Raise the operating standards of all key players / operators to enable globally competitive / efficient supply chains.
- To advance the supply chain profession (through collaboration and awareness creation).
- Promote the creation of responsible and sustainable supply chains, as well as Industry benchmarking.
- Look at supply chain management holistically and all the components of a globally competitive supply chain.

The Founding Partners of ASCEA (Ecotegrity and Upavon Management) would like to invite

The South Africa Express Parcel Association to be considered an “Association Partner” in this initiative.

Expectations of the Association Partner

To nominate a representative to participate in the Judging Panel. This representative will be integral to the development of the judging processes, award categories and overall integrity of the judging process.

- To assist in the promotion of the Awards via its networks and members
- To assist in the gathering of nominees through its networks and members

Africa Supply Chain Excellence Awards

- To assist in procuring sponsorship through its networks and members

Expectations of ASCEA

- To provide a well governed, ethical organisation as the foundation of this initiative.
- To actively provide all Association Partners with marketing materials and information regarding the Awards, the processes and the policies.
- To include as many associations as possible that represent the interests of individuals working in the supply chain industry
- To assume financial responsibility for the initiative
- To include the Association Partner's branding in all communication regarding the Initiative as an Association Partner.
- To highlight the profile of the representative on the Judging Panel per details provided by that individual and approved by the association they represent
- To extend two complimentary seats at the in-person event to the association to nominate attendees.
- To extend discounted rates to attend the Awards event (if held in person) to its members
